Patricks Terminal Industrial Action

Dear Valued Customer,

Please note that Patricks terminal Melbourne has received industrial action notices from **Maritime Union of Australia (MUA)** for 12 hour stoppages on every Monday, Wednesday and Friday for the month of October in addition to ban on overtime and shift extensions. We are currently expecting a delay of 5-6 days on an average for October for our vessels calling Melbourne.

This is in addition to the industrial action notices already served in Fremantle, Brisbane and Sydney for various bans.

We are assessing the situation and working on arrangements to mitigate the impact to our vessels. We expect an impact to the below vessels and will keep you posted when we receive further updates. We regret any inconvenience that this may cause.
